

# YOUR *employee* BENEFITS

SEPTEMBER 1, 2024–AUGUST 31, 2025

At Clark County School District, we care about you. That's why we offer benefits that support your physical and financial health. We encourage you to evaluate and elect benefits that best suit your personal needs.

## ▼ WHO IS ELIGIBLE

If you are scheduled to work at least 20.5 hours per week in a full/part-time position, you are eligible for benefits on the first day of the month following your date of employment.

**Many of the plans allow you to cover your eligible dependents, which include:**

- Your legal spouse or domestic partner.
- Your children to age 26, regardless of student, marital, or tax-dependent status (including a stepchild, legally-adopted child, a child placed with you for adoption, or a child for whom you are the legal guardian).  
**Note: Coverage is extended through December 31 in the year the dependent turns 26 years old.**
- Your dependent children of any age who are physically or mentally unable to care for themselves.
- CCSD reserves the right to conduct dependent eligibility audits to verify valid eligible dependent status.

## ▼ WHEN TO ENROLL

You can sign up for benefits or change your benefit elections within 30 days of your initial eligibility date (as a newly-hired employee), during the annual benefits open enrollment period, or within 30 days of experiencing a qualifying life event.

The choices you make at this time will remain the same through August 31, 2025. If you do not sign up for benefits during your initial eligibility period or during the open enrollment period, you will not be able to elect coverage until the following plan year, unless you have a qualifying life event.

## ▼ MAKING BENEFITS CHANGES

Due to IRS regulations, once you have made your elections for 2024, you cannot change your benefits until the next annual open enrollment period. The only exception is if you experience a qualifying life event. Election changes must be consistent with your life event and documentation uploaded to HCM within 30 days of the event.

**Qualifying life events include, but are not limited to:**

- Marriage, divorce, or legal separation.
- Birth or adoption of a child.
- Death of your spouse or covered child.
- Change in your spouse's work status that affects his or her benefits.
- Gain or loss of other coverage.
- Change in your child's eligibility for benefits.
- Qualified Medical Child Support Order.

To request a life event change, please visit [hcm.ccsd.net](http://hcm.ccsd.net) within 30 days of the qualifying life event. Change requests submitted after 30 days cannot be accepted.

You will need to provide proof of the event, such as a state-issued marriage certificate or birth certificate. If you do not provide supporting documentation to CCSD Benefits, the change will not be allowed and dependents will not be added or dropped.

## ▼ FLEXIBLE SPENDING ACCOUNTS

Save money on pre-planned healthcare expenses and lower your take home taxable pay with a flexible spending account (FSA). An FSA allows you to set aside money tax-free to help you pay for eligible out-of-pocket expenses. There are two accounts you can contribute to and your participation is for one year. But contribute wisely! If you don't use the dollars you contribute within the plan year, you lose them. Common eligible expenses are listed below, but please visit American Fidelity's website for a full IRS approved list and for FSA FAQs.

- **Healthcare FSA:** Use funds toward eligible expenses such as office visit copays, deductibles, prescriptions, contact lenses, and dental procedures. For more information, visit [www.americanfidelity.com/support/hcfsa](http://www.americanfidelity.com/support/hcfsa).
- **Daycare FSA:** Use funds toward eligible expenses such as child care, before and after-school programs, au pairs, and day camp. For more information, visit [www.americanfidelity.com/support/dca](http://www.americanfidelity.com/support/dca).

## ▼ SAVE FOR RETIREMENT WITH 403(B) AND 457(B) PLANS

Now is the time to start setting your retirement goals. Similar to a 401(k), a 403(b) or 457(b) plan allows you to save for your retirement. Through pre-tax paycheck deductions, this tax savings vehicle helps you meet your retirement goals. Participation is voluntary, you can increase or decrease your contributions at any time, and your participation via pre-tax deductions reduces your taxable income. Taxes are deferred until you decide to withdraw your funds. Should you choose, you may also make post-tax deductions. The IRS sets an annual contribution maximum (\$23,000 in 2024), with additional contributions allowed once you reach age 50 and "catch-up" contributions for employees with 15 years of service.

For more information about 403(b) and 457(b) plans including meaningful notices and plan participation guides, or to find a financial advisor using the QuickEnroll Tool, please visit TSA Consulting Group's website: [www.tsacg.com/individual/plan-sponsor/nevada/clark-county-school-district](http://www.tsacg.com/individual/plan-sponsor/nevada/clark-county-school-district).
