

CLARK COUNTY SCHOOL DISTRICT POLICY

P-3613

USE OF DISTRICT BUILDINGS, GROUNDS, AND EQUIPMENT BY NON-SCHOOL GROUPS

The primary use of all resources of the Clark County School District ("District") shall be for the support of the basic instructional program. The District may permit, in its sole discretion, other uses of District property provided that the safety and the privacy of students and employees is maintained and the use does not interfere with school activities, result in an excessive cost to the District, interfere with the mission of the District, or negatively affect the reputation of the District. The District may establish procedures and charge fees related to the use of District property.
