Mission Statement

Our mission at Ann T. Lynch Elementary School is to cultivate a positive atmosphere with professional, collaborative teachers and staff resulting in happy, responsible, and high-achieving students who are successful in all aspects of their learning.

Principal's Highlights

Ann T. Lynch Elementary School is a dynamic learning community that provides a rigorous education for all. We were newly appointed as a Zoom school for this school year. This program provided a reading center for student instruction in reading during the day and additional literacy resources. In addition, Zoom Summer Academy provided an additional 17 days of school filled with interactive and engaging theme-based instruction.

- Zoom reading initiative - including classroom libraries for all students, Zoom Reading Center serving 92 students, and additional literacy resources
- Everyday Math supplemented with Engage NY math – Developed at the University of Chicago, this spiral curriculum accelerated math achievement.
- Full-Day Kindergarten – A full-day kindergarten program was offered to give students an academic advantage at an early age.
- Pre-K - A half-day program was offered to introduce students to reading skills in preparation for kindergarten.
- Thinking Maps – All students in grades K-5 learned to use these graphic organizers to develop critical thinking skills.

Goals and Objectives

Goal 1

Increase Grade 3 proficiency rates in reading.

Objective(s):

Increase the percent of 3rd grade students proficient in reading from 62% to 65% by 2016 as measured by state assessments.

Goal 2

Reduce the overall achievement gap percentage points between highest performing and ethnic/racial subgroups in both reading and math.

Objective(s):

Reduce the math and reading proficiency gap between the District's highest performing subgroup and lower performing ethnic/racial subgroup by 2016 as measured by state assessments.

Goal 3

Increase the percentage of school-based personnel trained in cultural competency.

Objective(s):

100% of staff will participate in a mandatory cultural competency professional development training session during the 2015-2016 school year.

School Communication Efforts

Numerous events were held to encourage parent communication and participation at Ann T. Lynch Elementary School. Parents participated in a student-led conference. Teachers, parents and students discussed academic progress, state standards, grade-level expectancies, and proficiency levels. Monthly parent meetings were held to create a partnership with our parents by focusing on the curriculum, reviewing schoolwide data, and community concerns and ideas. In addition, the parent meetings were an opportunity for parents to make learning resources to use in their homes. To showcase student work, parents attended, with their children, evening events such as Open House, Family Literacy Night, Family Math Night, Two Zoom Nights and the Multicultural Fair. To accommodate our second language community members, all of our outgoing communication is provided in English and Spanish.

Per-Pupil Expenditures 2014-2015

The Nevada Department of Education in consultation with InSite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Clark Total Cost Per Pupil = \$8520 District Total Cost Per Pupil = \$8785
