Goal 2
Increase the number of students completing Advanced Placement (AP) and Career and Technical Education (CTE) courses each year.

School Communication Efforts

Desert Oasis High School employs various communication methods with all parents, students, and the community. The Infinite Campus system allows parents electronic access to their child's grades and attendance. The school's web page provides daily announcements, teacher email addresses, important event dates, tutoring and AP test prep dates, and the community newsletter. Open House in the fall provides parents with the opportunity to tour the school and meet our teachers. The auto-dialer sends messages to parents with important reminders and daily attendance of their children. Coaches, advisors, counselors, and administrators welcome incoming freshman and their parents at the annual Ninth Grade Night. Advanced Placement, College Financial Aide Night, and three athletic informational meetings are held to explain district requirements, school expectations, and answer any parent questions on college entrance or athletic eligibility. The principal meets monthly with the Parent Advisory Council to discuss educational topics and review suggestions to improve overall student achievement.

Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.
