Mission Statement

Clark County School District Board of Trustees Vision Statement:

All students progress in school and graduate prepared to succeed and contribute in a diverse global society.

Superintendent's Highlights

During the 2016-2017 school year, Superintendent Pat Skorkowsky and the Clark County School District (CCSD) Board of Trustees continued to address the strategies for success as outlined in the District's Pledge of Achievement utilizing the Board of School Trustees' Strategic Imperatives as the guiding principles. Superintendent Skorkowsky and his leadership team acted on the strategies, and the District made efforts to align current resources to the strategies while implementing the beginning phases of the reorganization. The Superintendent released the District Scorecard in October of 2014 and launched the Pledge of Achievement Web page (pledgeofachievement.ccsd.net). The scorecard measures six indicators of success that are derived from the Pledge of Achievement action plan outlined by Superintendent Skorkowsky during the spring of 2014. The scorecard and relevant data are updated and made available to the public as data becomes available.

Initiatives Aligned to Each Goal

Proficiency: During the 2016-2017 school year, all kindergarten classes were kept to 23 students or fewer. Full-day kindergarten was expanded to all elementary schools across the District. Professional development was provided with an emphasis on ensuring that students are on track for reading by third grade, when children transition from "learning to read" to "reading to learn."

Achievement Gaps: During the school year, 31 elementary, 6 middle, and 1 high school "Zoom Schools" provided literacy interventions and prekindergarten programs. The Victory Schools program for high poverty zip codes, which includes 16 elementary, 2 middle, 2 high school, 1 academy, 1 secondary, and 2 CCSD sponsored elementary charter schools continued to utilize special funding from the state to offer programs designed to increase student achievement, family engagement and provide wrap-around services. 14,699 educators in schools across the District were engaged in the Master Plan for English Language Learners. Employees participated in high quality cultural competency training designed to increase the academic achievement of diverse learners. The District utilized grants such as HOPE2 to provide pilot behavior intervention programs to reduce suspensions and expulsions. Programs included school-site mentoring, after-school tutoring, character education, and on-site behavior counseling. In an effort to increase participation of diverse parents on the school organizational teams, the District began a campaign that focuses on the successful practices of schools for engagement of the school community.

Parent and Community Engagement: During the 2016-2017 school year, elections were held to form School Organizational Teams at each CCSD school. CCSD continued to involve the community in important issues impacting their children, such as rezoning proposals and new state standards. The District solicited support from the City of Las Vegas, Wynn Corporation, and the University of Nevada Las Vegas to partner with schools for the Reinvent schools initiative. Seven training modules were developed and provided to the public in effort to prepare members of School Organizational Teams with information they needed before providing advice and assistance to the Principal on the School Plan of Operation.

Graduation Rate: The District continued the implementation of the High School Cohort Visualization Tool to better track students and identify early on if students are at risk of dropping out. School counselors worked with students to develop individualized graduation plans. CCSD continued the "Reclaim Your Future" program to provide mentoring and other assistance to struggling high school students. The Infinite Campus portal allowed parents to monitor the progress of students to ensure that they were on track to graduate. CCSD continues to provide information regarding Magnet Schools, Career and Technical Academies, Select Schools, the Nevada Learning Academy, and the open enrollment process through the Web site, itsyourchoice.ccsd.net.

Student Safety: During the 2016-2017 school year, the District continued to implement the recommendations of the Superintendent's Internal Task Force on Bullying. Successful programs that encouraged kindness and a safe and respectful learning environment, such as Be Kind, Operation Respect, the Week of Respect, and Flip the Script, were expanded. The District also adopted CCSD Regulation 5152, Child Abuse or Neglect, requiring all employees to report possible cases of child

abuse and/or neglect. The District hired 104 social workers/mental health professionals, thanks to funding from the 2015 Legislative Session, to help create a positive social climate and provide wraparound services to students and families. The Positive Behavior Interventions and Supports (PBIS) program was implemented at five schools to improve behavioral outcomes and build safe and respectful school climates while strengthening internal capacity for sustainability.

College and Career Readiness: During the 2016-2017 school year, CCSD added four new magnet programs. Middle schools continued to increase rigor with Science, Technology, Engineering, and Mathematics (STEM) and pre-AP programs.

Discipline

As part of the training required by Clark County School District Policy 5137 – Safe and Respectful Learning Environment, Education Services Division has incorporated the relevant sections of Chapter 388 of the Nevada Revised Statutes into all bullying and cyberbullying training sessions. Training sessions and relevant guidelines define bullying and cyberbullying, outline the mandated protocols and timelines, and provide further discussion and information to promote a safe and respectful learning environment throughout the Clark County School District.

Education Services Division collaborated with the Office of Equity and Diversity Education to present state-mandated training of all CCSD administrators. This training was provided to CCSD central office administrators, principals, assistant principals, deans and substitute administrators prior to the start of the 2015-2016 school year. The training is also provided monthly to all newly appointed school administrators. A bullying icon is provided to all administrators which houses all bullying and cyberbullying documents, forms, and guidance. As new administrators are appointed, the icon is provided to them as well. Our student information system, Infinite Campus, includes all required reporting documents, which are populated automatically when schools enter a bullying and/or cyberbullying event. Specialized training was also provided to all school counselors providing an overview, which included changes to NRS and mandated protocols and timelines with an emphasis on the ten-day follow-up. All CCSD employees, including administrators, are also provided an online training session on Policy 5137, Safe and Respectful Learning Environment; Bullying and Cyberbullying; Harassment and Intimidation; School Safety Team; Violence and Suicide Prevention; Suicide Facts; Suicide Risk Factors; and Resources. Similarly during the onboarding process, all new CCSD employees and volunteer coaches are provided with the same training.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
