Mission Statement

Vision Statement of the Clark County School District Board of Trustees:
All students progress in school and graduate prepared to succeed and contribute in a diverse global society.

Superintendent's Highlights

During the 2014-2015 school year, Superintendent Pat Skorkowsky and the Clark County School District (CCSD) Board of Trustees continued to address the strategies for success as outlined in the District's Pledge of Achievement. Superintendent Skorkowsky and his leadership team acted on the strategies, and the District made efforts to realign current resources to meet the implementation needs of the strategies for success.

The Superintendent released the District Scorecard in October of 2014. The scorecard measured six indicators of success that are derived from the Pledge of Achievement action plan outlined by Superintendent Skorkowsky last spring. The scorecard can be found by following the link: http://www.ccsd.net/district/district-scorecard/.

Initiatives Aligned to Each Goal

Proficiency: During the 2014-2015 school year, all kindergarten classes were kept to 23 students or fewer. Full-day kindergarten was expanded in more schools across the District. Professional development was provided with an emphasis on ensuring that students were on track for reading by third grade, when they transition from "learning to read" to "reading to learn."

Achievement Gaps: During the 2014-2015 school year, 16 "Zoom Schools" provided early literacy interventions and prekindergarten programs. CCSD collaborated with experts throughout the nation on a plan for English Language Learners, using the latest in research and cultural competency training for administrators. The District utilized grants such as HOPE^2 to provide pilot behavior intervention programs to reduce suspensions and expulsions. Programs included school-site mentoring, after-school tutoring, character education, and on-site behavior counseling.

Engagement: During the 2014-2015 school year, the District launched the new Family and Community Engagement Services (FACES) program. The District also launched a modernized student information system (Infinite Campus) that provided parents/guardians with "real-time" access to attendance, grades, homework assignments, and more. CCSD continued to involve the community in important issues impacting their children, such as rezoning proposals and new state standards.

Graduation Rate: The District continued the implementation of the High School Cohort Visualization Tool to better track students and identify early on if students are at risk of dropping out. School counselors worked with students to develop individualized graduation plans. CCSD continued the "Reclaim Your Future" program to provide mentoring and other assistance to struggling high school students. The Infinite Campus portal allowed parents to monitor the progress of students to ensure that they were on track to graduate.

Student Safety: During the 2014-2015 school year, the District implemented the recommendations of the Superintendent's Internal Task Force on Bullying. Successful programs that encouraged kindness, such as Be Kind, Operation Respect, the Week of Respect, and Flip the Script, were expanded. The District also adopted a new policy, CCSD Regulation 5152, requiring all employees to report possible cases of child abuse and neglect.

College and Career Readiness: During the 2014-2015 school year, plans were developed to add seven new magnet programs and five "Select Schools" programs for the 2015-2016 school year. Middle schools continued programs including Science, Technology, Engineering, and Mathematics (STEM) and pre-AP programs to increase rigor.
