Throughout the District's strategic plan, work is approached through a theory of action that recognizes "Our people drive our success." This theory helps operationalize established core values of high expectations, accountability, equity, innovation, integrity, leadership, customer service, and communication into five strategic priorities that enable CCSD to achieve student success targets.

Goals and Objectives

The continuing consequences of the COVID-19 pandemic have continued to pose new, unprecedented challenges for the District, such as the ongoing drive to recruit and retain high-quality teachers, assisting students in catching up with lost learning, and continuing to support students who are struggling with their mental health. In response, CCSD has implemented additional support and resources, such as:

- Teacher recruitment and retention programs, such as "We are Vegas. We are CCSD", addressing higher-than-normal levels of teacher attrition.
- Expanding and refining District implementation of Multi-Tiered System of Supports, including supports for student academic, social-emotional, and behavioral needs.
- Providing ELA teachers with new and updated Tier I instructional materials to help engage students with content aligned to the Nevada Academic Content Standards (NVACS).
- Increasing the District Crisis Response Team to provide mental health support to students.
- The Every Day Matters campaign, which emphasizes the importance of daily attendance in academic achievement and future success.

The District continued to monitor progress towards achieving goals set in the District's strategic plan, which calls for all CCSD schools to be rated three stars or higher on the Nevada School Performance Framework and at least 90 percent of CCSD students to graduate from high school, college and career ready.

District Communication Efforts

Parents/Guardians and community members are encouraged to be active participants in the educational process. In an effort to increase transparency, CCSD continues to maintain a series of data dashboards housed at https://data.ccsd.net for the community to have greater access to school and District data. In the 2023–2024 school year, CCSD promoted frequent, two-way communication with parents/guardians, families, and the community through a variety of meetings, forums, publications, media events, and weekend family academies.

Discipline

The Education Services Division (ESD) administration provided annual professional learning for all administrators assigned to handle student discipline aligned with the CCSD Pre-Kindergarten–Grade 12 Student Code of Conduct. The ESD Behavioral Legislative Update professional learning session included the behavior tab in Infinite Campus, accuracy in event and resolution codes, student searches, student expulsion procedures and related statutes, student attendance procedures and related statutes, investigation procedures, and discipline data reporting.

Additionally, the Board of School Trustees, principals, assistant principals, student success coordinators, central office

administrators, and substitute administrators attend annual required bullying and cyberbullying professional learning sessions prior to each school year. The bullying, cyberbullying, and discrimination based on race professional learning sessions are also offered monthly to newly appointed administrators. These professional learning sessions incorporate the relevant sections of Chapter 388 of the Nevada Revised Statutes; CCSD Policy 5137, Safe and Respectful Learning Environment: Discrimination Based on Race, Bullying, or Cyberbullying; outlines the mandated protocols and timelines; and reviews all available guidance documents. Further discussion and information regarding harassment, intimidation, and school safety were facilitated to promote a safe and respectful learning environment throughout CCSD. Similarly, all new CCSD employees, volunteers, and coaches are provided with professional learning sessions. Infinite Campus serves as the source of record keeping where all bullying, cyberbullying, and discrimination based on race protocols and practices can be logged, along with accessing all required reporting documents, which are automatically populated when schools enter a bullying, cyberbullying, and/or discrimination based on race event.

Technology

With the additional funding available during the COVID-19 pandemic, CCSD was able to accelerate the process of moving to 1:1 implementation of Chromebooks for students in the classroom. CCSD has now achieved a 1:1 ratio of chromebooks to students. Each school campus has a site-based technician to assist students and teachers to ensure the technology is working properly. In addition, the District has purchased curricular supports to increase student learning using technology in ways that are fun and educational. These platforms, such as Canvas LMS, can be found through the Clever Portal.

Curriculum Details

CCSD's core curriculum consists of English language arts, mathematics, science, and social studies. In order to provide students with a comprehensive and rigorous curriculum, curricular and instructional support are also offered in the areas of fine and performing arts, library services, world languages, health, and physical education. With the ongoing implementation of the 21st Century Course of Study, students in high school are scheduled into a fourth year of mathematics, which includes Algebra II, and a third year of science, including biology. CCSD specifies the Kindergarten–Grade 12 curriculum as the basis for instruction in all classrooms, including traditional, blended, and online curricula. CCSD expects students to master grade-level skills with the ultimate goal of being prepared for college and career.

The NVACS and NVACS Connectors serve as the foundation for the curriculum and are a progression of learning expectations designed to prepare students for college and career readiness. They include rigorous content with the application of knowledge and critical thinking skills.

To further support Tier I instruction, pacing guides were created to provide continuity across CCSD. The pacing guides were designed to be used in conjunction with a long-range unit planning guide to ensure all standards are adequately addressed. Students have multiple opportunities to achieve mastery of grade-level standards throughout the school year.

The Curriculum and Instruction Division (CID) developed Teacher Clarity guides that include learning progressions, learning intentions, and success criteria in content areas where the District adopted Tier I instructional materials. CID has continued to develop and implement professional learning opportunities related to instructional planning to support educators in providing high-quality, standards-based instruction for all students.

CCSD completed the purchase of Tier I instructional materials for ELA, mathematics, science, and social studies to be universally accessible for all schools and students. An up-to-date list of the current Tier I curriculum can be found at: https://cpd.ccsd.net/tier-1-approved-curriculum/.

Additionally, at the high school level, CCSD offers a myriad of magnet programs, AP programs, International Baccalaureate programs, Dual Enrollment courses, and several career and technical academies and courses of study, as well as partnerships with Nevada System of Higher Education institutions to better prepare students for greater opportunities after graduation.

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

FRB Eligible and FRB/FRL Receivers are no longer required to be reported starting with 2023-2024.

**The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

FRB Eligible and FRB/FRL Receivers are no longer required to be reported starting with 2023-2024.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

FRB Eligible and FRB/FRL Receivers are no longer required to be reported starting with 2023-2024.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
AS = Percentage of students performing in the "Approaches Standards" range of achievement
MS = Percentage of students performing in the "Meets Standards" range of achievement
ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
