

NVLA Summer School 2021 Frequently Asked Questions

Q: How will a CCSD student enroll for summer school?

A: All current CCSD students will request an NVLA summer school course through their home school counselor. After the course is approved by NVLA, the student will receive an email with payment information. Payment can be made through Parent Portal. Once the payment is made the student will be rostered into the class.

Q: How will a non-CCSD student (e.g. charter school student) enroll for summer school?

A: All non-CCSD students are required to complete online student registration. The steps for completing online registration is on the [Out-of-District Registration page](#). Required documents are: student's birth certificate, shot record, current utility bill (for address verification), and a guardian's photo ID. Once all required documents have been received, the student will be enrolled for the summer school term.

Q: How many classes can a student enroll in for the summer session?

A: It is recommended that a student only take two classes during the summer term with NVLA.

Exception: A student may take two sections of Personal Wellness and one section of Health Education.

Q: Can I take a site based summer school (i.e. at Clark HS) and take an NVLA Teacher-Led online summer school class as well?

A: Yes. Students can be enrolled in a Teacher-led course at NVLA and CCEU Summer School.

Q: Can I take any course with Nevada Learning Academy summer school?

A: Students may take any course that is offered. The student's home school counselor will request any course offered at NVLA that the student needs to take/or may want to take. NVLA counselors will enter course request for non-CCSD students.

Q: How much does NVLA summer school cost?

A: No fee for CCSD students.
\$120 per half credit for non-CCSD students.

Q: How does a parent pay for NVLA summer school?

A: Parents can pay for NVLA summer school at campusportal.ccsd.net with a debit/credit card (*\$4.95 convenience fee for on-line payment*). NVLA school campus is closed and no on-site payments can be made.

Q: What if I only need a quarter credit of a class, is this the right program for me?

A: No, quarter credits will not be issued. Please see your counselor for other options.

Q: Can both Semester 1 and Semester 2 courses for the same class be taken concurrently?

A: Yes, both S1 and S2 must be taken concurrently (at the same time). However be aware that some curriculum for S2 courses builds on knowledge from S1 and taking both courses concurrently during the shortened summer term may be very challenging.

Q: Is Health offered in NVLA summer school?

A: Yes, Health is offered. However, students will not be enrolled until the sex education permission form is returned to NVLA. The form can be completed online using this [Parent Permission Form](#) or by [downloading the form](#) and return via e-mail to NVLA@nv.ccsd.net. Put the student's name and ID# as the subject line.

Q: What happens if I do not complete the class by the deadline?

A: All coursework and the final exam must be taken by the deadline, to earn credit. Coursework ***will not*** be carried over to the fall semester. No extensions will be granted for summer courses.

Q: What if I am unable to meet the deadline and need to sign up for NVLA summer school?

A: All deadlines are firmly adhered to. Students will not be enrolled after the deadline. Students who have not paid for their courses by the deadline will be dropped. If a health course is requested on time, but the permission form is not received by the deadline, the student will not be enrolled. Due to the number of students, we will be unable to make exceptions.

Q: What happens if I do not log in one day for a teacher-led course?

A: It is an expectation that students log into each class, each day, five days a week. If you fail to do so, you will not be able to maintain pacing with your class; however, you will not be withdrawn from the course. The course must be completed in its entirety by the deadline with a passing grade to receive credit.

Q: When is the final exam date?

A: The final exam may be taken once all coursework is completed and graded. You must allow at least 24 hours after your final assignment submission before the final exam will be unlocked. Once the final exam has been started, no coursework may be submitted or corrected for grade improvement. The final exam must be completed on or before July 14, 2021.

Q: What is Honorlock?

A: [Honorlock](#) is a technology based online proctoring solution that offers a secure testing environment anywhere in the world that has an internet connection. Students will need an internet connection, a webcam and their student ID take all tests and the final exam.

Q: What if I do not want to use Honorlock?

A: Due to the campus closure, no on-campus proctored testing will be available. All students taking NVLA courses must use the Honorlock system.
