Attendance boundaries are reviewed annually and are subject to change. All boundary changes will be implemented at the beginning of the subsequent school year.

The middle of the street is the dividing line between attendance boundaries except as noted.

- The approved boundary changes will occur in phases, by reassigning one grade level each year until all grades, 9 through 12, have been reassigned. The 9th, 10th and 11th grade phasing will be implemented at the start of the 2016-2017 school year for the third year of application.

An option for older siblings to attend at their younger siblings' designated school is provided, with transportation, if eligible as indicated in policy and regulation 3531.

Future annual assessments of the area demographics will be conducted and may result in canceling the phasing plan by implementing the entire attendance boundary adjustment, as recommended, at once.
