Reports

Tracy Murphy welcomed the members to the last AZAC meeting of the season and thanked them for their service during this zoning season.

Approved Zoning for the 2024–2025 School Year

Tracy Murphy stated that the reference item is the finalized Board items and maps that were approved by the Clark County School District Board of Trustees at the Joint meeting on February 26, 2024.

Anna Binder thanked the staff for their hard work.

Review of the 2024–2025 Zoning Season Priorities

Tracy Murphy stated that an item that will be discussed during the next zoning season is 50-year old Dell H. Robison Middle School; it was scheduled to be replaced but the Board approved the Capital Improvement Program, Revision 5, to convert it into a Choice High School as there are underutilized middle schools in the area and the high schools don't have a lot of available capacity.

Anna Binder asked if regional superintendents notify principals of the process to work towards their zoning concerns.

Tracy Murphy stated that regional superintendents have expressed that the community and schools would like more conversations about possible rezoning. She said the correct process is for principals to reach out to their region superintendents who can further it along to District leadership. She also said that concerns directed to AZAC members can be communicated to their Trustee.

Anna Binder wanted constituents to know that their concerns are heard and members do speak to their Trustee about them.

Tim Vicario asked for the meaning of a choice school.

Tracy Murphy stated that a choice school is not a magnet, but an innovative school that is being programmed through our School Choice department which will determine the details. Ms. Murphy said that Robison Middle School's attendance boundary will need to be dissolved since it is being converted from a middle school to a high school.

Matthew Tramp asked if students need to apply to attend a choice school.

Tracy Murphy stated students do need to apply.

Matthew Tramp asked when the new Career and Technical Academy is opening.

Tracy Murphy stated that it is opening in the fall of 2025.
