

## CLARK COUNTY SCHOOL DISTRICT POLICY

6171

### SUMMER SCHOOL

- I. An annual summer school program for elementary and secondary students in the Clark County School District and other students who may wish to participate shall be conducted. The purpose of these programs is to provide students at all levels that have special needs or interests with summer opportunities for remedial instruction, enrichment instruction, or special interest activities. All summer school programs shall be consistent with the System for Quality Schools.
  
- II. Summer school programs are not part of the free public education services of the District and tuition may be charged. Regular school facilities will be utilized for the summer school programs without rental or utility charge. The District will not be responsible for student transportation.
